Target Work at Leilehua.

By order of Major-General Weston
the target practise season of the Fifth
Cavalry at Leilehua is extended to in-
clude August 31.

Major Daniel H. Boughton has been
transferred from the Eleventh to the
Fifth Cavalry, and Major Goode from
the Fifth to the Eleventh. Major Goode
is at present at Leilehua.

26th for Parade.

An effort will be made to keep the
transport Sheridan in port over the
Fourth of July and an additional ef-

Of Local Interest.

SAN FRANCISCO, June 22.—Lieut-
enant Thomas H. Cunningham, Fifth
Cavalry, will be stationed at Waialua,
Oahu, H. T., while on duty in connec-
tion with the progressive military map
of the United States.

Marines Back on Ships.

WASHINGTON, June 23.—With the
return of marines to the armored
cruiser Tennessee and the Washington
of the Pacific fleet this week, all the
marines removed from the ships of the
Navy by order of President Roosevelt
will have been restored. This is the
final chapter of a long contest over
the future services of the marines and
the outcome is very gratifying to the
personnel of the marine corps.

May Out On Honolulu.

MARE ISLAND, June 18.—Word
was received at the Mare Island yard
this afternoon to the effect that the
Pacific fleet, commanded by Rear-Ad-
miral Stribner, will make a cruise into
foreign waters this fall. It will be
possibly for six or eight months. Al-
though not entirely settled, it is prob-
able the fleet will start from Mare Island
and at Bremerton will proceed up the coast
into Alaskan waters, and thence to the
Philippines. The northerly route is se-
lected in order that the fleet may en-
counter certain fog conditions for its
practice.

The fleet will doubtless proceed as
far as Manila, and may go on down to
Australia, and thence up the China
coast, making several stops, and thence
for a prolonged cruise in Japanese wa-
ters. It is expected that the cruise
will begin late in the summer and that
all target practice will be held in Ma-
nila bay.

Habitual Constipation

May be permanently overcome by proper
personal efforts with the assistance
of the one truly beneficial laxative
remedy, Syrup of Figs and Elixir of Senna,
which enables one to form regular
habits daily so that assistance to na-
ture may be gradually dispensed with
when no longer needed, as the best of
remedies, when required, are to assist
nature and not to supplant the natu-
ral functions, which must depend ulti-
mately upon proper nourishment,
proper efforts, and right living generally.
To get its beneficial effects, always
buy the genuine

You Can't Be Happy With a Headache

Probably more pleasure is spoiled because of headache than from any
other reason.

When your head aches it not only makes YOU unhappy, but it is very apt
to interfere with the pleasure of everyone else around you. One can't be ex-
pected to be very cheerful and pleasant when one's head is simply splitting.
And there is no need of suffering. Keep a box of

Stearns' Headache Wafers

in the house when you are at home—carry it in your bag when you travel. That
insures you against the annoyance of headaches—your own and other people's.
Stearns' Headache Wafers are as pure as they look, and the snow-white
wafers certainly indicate purity in the highest degree. One dose cures, and
leaves your head "clear as a bell."

They are so much better than any other kind that your own interest de-
mands that you insist on STEARNS'—the genuine.
